Are you interested in using your or your whānau's cancer experiences to help improve cancer care for all communities in Aotearoa New Zealand? Te Aho o Te Kahu, New Zealand's Cancer Control Agency, is looking to appoint four new members to its consumer reference group, He Ara Tangata.

About you

You may have been diagnosed with cancer or supported a friend or family member with cancer. You do not need a medical background or knowledge of the cancer system. We especially welcome applications from Māori, Pacific peoples, disabled people | tāngata whaikaha, and/or people in the Rainbow community.

About the role

He Ara Tangata is a key advisory group to our Agency, with up to 12 members who provide advice on our work, based on their lived experience of cancer. Members also sometimes contribute to key projects so we can better reflect the voices of people and whānau across the design and delivery of cancer control in Aotearoa.

We will invite you to attend quarterly meetings, with at least one face-to-face meeting each year (half-day or full-day). We will cover travel costs for in-person meetings, as well as time to read documents and attend meetings.

How to apply

Please complete this [online application form](https://forms.office.com/r/RMCRXnWdMk) [or this link <https://forms.office.com/r/RMCRXnWdMk>] by **5pm Friday, 30 January 2026**. If the form is not accessible or you prefer another format (such as a video application), please email lee.benjamin@teaho.govt.nz

We will review all applications and contact everyone who applied with the outcome by Monday 16 February 2026. If you aren't selected this time, there may be future opportunities to get involved.
